

**Northvail General PTA Meeting Minutes
September 11, 2019
Northvail All-Purpose Room**

Meeting called to order: 7:20 pm

Introductions and Welcome - Cindy Collins, President:

Cindy Collins welcomed the parents to Northvail's Back to School Night and introduced the Executive Board to those in attendance. Parents were informed of the Northvail sportswear that was available for sale at Back to School Night, as well as the form that will be sent home to place additional orders.

Cindy urged parents to join the PTA via the Membership table located in the gym or through the flyers sent home with the students. It is the first major fundraiser of the year with 50% of the dues going to the Northvail PTA. Joining the PTA is a great way for parents to be involved with their children and the school. Cindy also encouraged parents to join the Northvail PTA Facebook group and follow both the Northvail PTA (@NorthvailPTA) and Mr. Martens (@NO_OWL_PRIN) on Twitter.

Volunteering and becoming involved is critical to the success of the PTA and Northvail. Please support the fundraisers and attend as many PTA meetings and events as possible. The next meeting will be September 18, 2019 at 7:00 PM in the All-Purpose Room. The 5th Grade Committee meeting will follow immediately after.

Cindy introduced the Northvail PTA 2019-2020 school year budget.

Kendra Von Achen made a motion to pass the PTA 2019-2020 school year PTA budget. It was seconded by Susy Golderer. There was no discussion regarding this motion. There was no opposition. Motion carried.
